DONNA ELVIRA

“Lisa Algozzini...was an astonishing Donna Elvira.”

-Nora Ralli, *Efsyn* (May 7, 2022) - Donna Elvira in Don Giovanni with the Apollon Theater: Syros, Greece

“An ideal role for the small, very powerful Lisa Algozzini who plays a poignant character with precise singing.”

-Josef Herman, *Divadelní noviny* (April 14, 2020) - Donna Elvira in Don Giovanni with the State Opera Liberec, Czechia

“Lisa Algozzini as Elvira also adds a remarkable performance.”

-Jan Venclík, *OperaPlus* (March 9, 2020) - Donna Elvira in Don Giovanni with the State Opera Liberec, Czechia

“Lisa Algozzini as Donna Elvira...was magically old-fashioned and persistent.”

-Olga Janáčková, *Časopis Harmonie* (March 9, 2016) - Donna Elvira in Don Giovanni with the State Opera Liberec, Czechia

NEDDA

“...‘Qual fiamma avea’ from Pagliacci by Leoncavallo performed by the beautiful vocal color of soprano Lisa Algozzini.”

“Setting a perfect scene and the audience's favorite was Musetta, sung by Lisa Algozzini.”

-Mark Liebenberg, *Schaffhauser Nachrichten* (August 17, 2018) - Musetta in La bohème with the Opernspiele Munot in Switzerland

“Algozzini...performs Musetta with great temperament. In this way, she kisses her elderly lover on the head while she winks over to Marcello, whom she still loves. As the soprano sings the first tender notes of the aria, ‘Quando men vo,’ it suddenly becomes quiet on the tower.”
